

## About Us

The Old Barn is a beautiful and historic building in a calm and peaceful location. We love the special energy and tranquillity of The Old Barn and we wish to share this wonderful space with other yoga teachers and students.

We have created a venue dedicated to the practice of yoga and complementary therapies and our aim is to provide a professional and nurturing environment for your enjoyment, relaxation and wellbeing.

We warmly welcome you to The Old Barn and we hope that you will enjoy your visit.

## About Marlborough

Steeped in history, Marlborough remains a lovely market town with its bustling High Street, many hidden alleyways and weekly markets. Cardinal Wolsey was ordained in St Mary's church and legend has it that Merlin was buried in the college grounds!

A stroll out of town through stunning countryside and over the picturesque Marlborough Downs will take you to The Ridgeway, the Savernake Forest and the World Heritage Sites of Avebury Henge and Silbury Hill.
